Warminster, PA 18974

The Archbishop Wood Girls' Volleyball team is pleased to present our second annual CYO volleyball tournament. For the first time, we will be hosting two tournaments; one for junior varsity (5-6th grade) and a second for varsity (7-8th grade). The tournament will be held in the South (Girls') Gymnasium at Archbishop Wood High School. JV will play on **Sunday, September 28** and varsity will be on **Sunday, October 5**. The format will be a morning pool play (two pools of five teams) and the top two teams from each pool will move on to the gold bracket playoffs. The following two teams (3rd and 4th) will move on to the silver bracket playoffs. **The entry fee is \$150 for JV and \$200 for varsity.** There will be a snack bar for the players to purchase food, snacks and beverages.

The purpose of our CYO tournament is to provide a competitive experience for the young developing players in our area. We look forward to seeing your team at the Lady Vikings Invitational this year!

Please, complete the form below and send in your registration as soon as possible to ensure a spot for your team in our 10-team tournament. Check the website above for updates on pool play schedules.
